FULL STACK DEVELOPER – INTERN ***(JUN 2024 – FEB 2025)***

KGISL, COIMBATORE, TAMIL NADU

- Develop responsive frontend interfaces using JavaScript, HTML, and CSS
- Build and maintain backend modules using Node.js and Express.js
- Perform REST API integration and functionality testing
- Debug and troubleshoot application issues for improved performance

FRONTEND DEVELOPER – INTERN ***(FEB 2024 – APR 2024)***

KELTRON, TRIVANDRUM, INDIA

- Develop clean and responsive interfaces using HTML, CSS, and modern JavaScript standards
- Create interactive UI components for internal project development requirements
- Debug and troubleshoot frontend issues to improve usability and user experience
- Perform cross-browser compatibility testing to support layout optimization

EDUCATION

- **MASTER OF COMPUTER APPLICATIONS (MCA)** **(2024)**
  Sree Narayana Gurukulam College of Engineering, Ernakulam

- **BACHELOR OF COMPUTER APPLICATIONS (BCA)** **(2021)**
  CM College of Arts and Science, Wayanad

CERTIFICATIONS

- **MERN STACK DEVELOPMENT**
  Kgmicro College, Coimbatore

- **META FRONTEND DEVELOPMENT**
  Coursera

TECHNICAL SKILLS

- JavaScript
- Python
- React
- HTML
- CSS
- MySQL
- Next js
- PostgreSQL
- Node.js
- Express.js
- REST API
- Postman
- Redux
